Constitutional Amendment No. 5

*Proposed by 103rd General Assembly,
(Second Regular Session) SS SCS HCS
HJR Nos. 173 & 174*

Shall the Missouri Constitution be amended to:

- Require legislative phase-out of the individual state income tax based on revenue growth, and authorize the expansion of sales and use taxes;
- Curtail constitutional limits on taxing goods and services; and
- Require local tax rate cuts without reducing school funding if local sales tax revenue increases?

The proposal has no direct impact on state or local tax revenue. If passed, implementing legislation will have an unknown impact to state and local tax revenue. If implemented, state government entities expect a reduction of \$57,000 annually in income tax check-off donations and implementation costs of at least \$100,000.
