Now at this the 1st day of April 2021 the Commission met pursuant to adjournment and a quorum was present of the following members:

> Randy Verkamp, Presiding Commissioner Joseph H. Auxier, Commissioner District 1 Gary W. Hicks, Commissioner District 2 Pamela K. Grow, Phelps County Clerk

IN THE MATTER OF CIRCUIT CLERK:

The clerk informed the Commission of the impending retirement of Circuit Clerk Sue Brown. Phelps County Focus Staff Writer Andrew Sheeley was also present. Gubernatorial appointment is anticipated by June 1, 2021 with the position to be elected at the next general election, occurring November, 2022.

IN THE MATTER OF HIGHWAY 63 ALLIANCE:

Presiding Commissioner Verkamp discussed some figures that represented the administrative costs and the build planning contribution for counties in the project area. Commitments are needed from the counties which would take the lead and then the cities would be asked for their share. Rolla City Administrator John Butz is apparently involved, though the mayor of Rolla may be less enthusiastic. The route and jurisdictional involvement were discussed, including whether or not any Arkansas span of 63 would be included. Collector Faith Barnes briefly entered at 0930 and then left.

IN THE MATTER OF VETERAN'S MEMORIAL SIGN:

Collector Faith Barnes re-entered to report her husband is starting a power-washing business and he would like to offer to power wash the veteran's sign in the circle drive for free; she was referred to Director of Support Services, Building and Grounds Sissy Korich.

IN THE MATTER OF ROOF LEAK:

Director of Support Services, Building and Grounds Sissy Korich and her assistant, Amy Asberry, entered at 1010. The means of addressing the leak in the roof over one of the judge's offices were discussed.

IN THE MATTER OF AUDIOVISUAL UPGRATES TO COURTROOMS:

Sissy reported on meeting with the contractor on March 30th and said that deputy clerks checking the connections in all the courtrooms would be beneficial. Judge Hickle was trained on all the equipment, and Judge Beger is also quite familiar but the deputy clerks need to be trained by a senior clerk who is usually able to trouble-shoot.

IN THE MATTER OF ROADS:

Re-striping Country Club Road was discussed as were road treatments near Napa and Vineyard were discussed.

IN THE MATTER OF CLOSED SESSION:

At 1100 Commissioner Hicks moved and Commissioner Auxier seconded entering closed session pursuant to RSMo 610.021 (17) - auditor work product. No actions having been taken, the Commission returned to open session as moved by Commissioner Hicks and seconded by Commissioner Auxier at 1142.

IN THE MATTER OF ACCOUNTS PAYABLE:

Fifty-six and 64 general invoices in the amounts of \$20,032.80 and \$82,946.17, respectively, were reviewed and approved as was payment of 9 invoices for contract pay in the amount of \$18,919.01.

READ AND ARPROVED:

Joseph/H. Auxier, Commissioner District 1

Gary W. Hicks, Commissioner District 2

Now at this the 6th day of April 2021 the Commission met pursuant to adjournment and a quorum was present of the following members:

Randy Verkamp, Presiding Commissioner Joseph H. Auxier, Commissioner District 1 Gary W. Hicks, Commissioner District 2 Pamela K. Grow, Phelps County Clerk

IN THE MATTER OF ACCOUNTS PAYABLE:

The purchase of a canine by the Sheriff's Department for \$7,500.00 having been included in an invoice batch, Presiding Commissioner Verkamp called Sheriff Mike Kirn and was informed that Shallow Creek Kennels of PA was a sole source provider for such trained animals. Michelle Bock of the Road Department was present. The 2 invoices for \$7,700.05 were approved for payment. Staff Writer Andrew Sheeley, who had entered at 0900, left at 0915 just as Collector Faith Barnes entered.

IN THE MATTER OF BRO-B081(13)

Kim Tipton said that Invoice #15 should be paid on 4/7/2021 and Invoice #16 should be paid next week. Commissioner Hicks shared his communications with a financial contact with MoDOT, Donald R. Hilt, who said #16 should be paid 4/15/21. Commissioner Hicks said that the program is a reimbursement program though in the past MoDOT has been permitting the County to be paid upfront. Local resident Ray Schweikhardt entered but stayed only briefly. As moved by Commissioner Hicks and seconded by Commissioner Auxier, the payment of these two progress invoices was approved as reimbursement. Discussion regarding the "30-Day Law" for payment of invoices was held.

IN THE MATTER OF ROADS:

Multiple road issues were detailed including the intersection of Road 2070 and Highway V, where northbound trucks making a right turn onto V have badly compromised the margin of the road. Barnes said Road 8010 has become a drag strip with people racing through at 60 mph and she hopes there will not be a fatality; she has had to curtail her child's bike riding and cannot let her small dog stray at all without fearing he will be hit and killed. Barnes said she would contact Sheriff Kirn about this and left about 1015. Local resident Chester Kojro entered at 1015.

IN THE MATTER OF CORONER DEPUTY:

Coroner Ernie Coverdell entered at 0955 with local resident Ashley Hall, a paramedic with Phelps Health Ambulance for 15 years, who was sworn in as deputy coroner by the clerk. Coverdell and Hall then left.

IN THE MATER OF SLATE CIRCLE:

SLATE CIRCLE, Continued:

The Commission heard and considered a request from a resident on Slate Circle for special management of the stormwater runoff. Assistant Constituent Services Representative Brett Hoffman from U.S. Representative Jason Smith's office entered at 1020. Bock reported that Superintendent of Roads Walter Snelson was positively against obliteration of the ditches; he said that they have to construct a ditch that can be mowed. Temporary impedance of the water flow with a hay bale (or bales) while grass was being seeded was felt to be acceptable.

IN THE MATTER OF MANAGED IT CONSULTANT SERVICES:

Director of Support Services, Building and Grounds Sissy Korich came with the contract with Alliance Technologies which was approved as moved by Commissioner Hicks, seconded by Commissioner Auxier.

IN THE MATTER OF COURTHOUSE ROOF LEAK:

Korich discussed caulking of the skylights, then left at 1032.

IN THE MATTER OF HIGHWAY 63:

After Bock left at 1035, Hoffman discussed the Highway 63 project with the Commission. Apparently, the burden of apportioning costs to the cities is being placed on the counties. Presiding Commissioner Verkamp said that if Phelps County does not participate, the project may be aborted. Hoffmann wonders what happens to the cities that 63 runs right through, like Vienna, and what is the plan for acquisition of land. Others wondered about the effect on local businesses.

IN THE MATTER OF CHILDREN'S ART CONTEST:

Collector Faith Barnes entered again about 1040 to present the NACO art competition for children; a local competition is possible which can be presented by the county. Barnes believes this is one way that the County can engage the community, and there are press releases recommended for use by local governments. "I love my county because..." suggested as the theme. Barnes left at 1110.

IN THE MATTER OF AMEREN NATURAL GAS RATE RAISE:

PSC communication regarding this was received and reviewed.

IN THE MATTER OF HIGHWAY 63, CONTINUED:

Presiding Commissioner Verkamp called Bonnie Prigge, Executive Director of MRPC. When asked, she said that Cole County was not

HIGHWAY 63, CONTINUED:

"in for sure." There have been representatives from various entities who have participated in good discussions. Prigge said no counties have really voiced unqualified support; it appears that without Cole County's participation, obviously longer periods of taxation would be necessary. Prigge referred to 1.0 cent and 0.5 cent taxes. Another meeting occurs May 21. Presiding Commissioner Verkamp recounted sitting through the corridor meetings regarding expansion of Highway 63 as far north as Highway 50 some years ago; the plans from then are the most current. There will have to be a feasibility study to look at predictions. Commissioner Hicks asked why this very large and important project wouldn't be undertaken by MoDOT, with the anticipation of federal stimulus money coming-however many trillion the federal government "wanted to print up." Prigge said it was such a huge project and she hasn't been part of any group looking at the entire route. They have looked for more input and had advanced the "four-laning" of Highway 63 and had advanced more of the "virtual four-lane" (three-lane as in Highway 63 south of Rolla) as well. She said that when speaking with 8th District Congressman Jason Smith, he had offered that the county's putting skin in the game was what was needed and that partnerships are what will make it work. Prigge says she doesn't think there will be 100% input from anyone. Presiding Commissioner Verkamp said he thinks the resistance from Rolla Mayor Lou Magdits was over just having done the TDD; he asked Prigge if there's anything new with respect to the TDD and she said there was some legislative activity. Prigge said she thought that a good first step would be to try to get a build planning grant, and that it was probably too late for infrastructure money. "Ideally we'd like to see a build grant that brings federal dollars but will MoDOT pony up the grant?" and she realizes that with the TDD already in existence it would be a very "tough sell." The call ended at 1130. Commissioner Hicks said a map of Missouri with all the congressional districts containing stretches of Highway 63 in it should be utilized to bring all those U.S. Representatives into the dialogue. Commissioner Auxier felt kicking in \$46,000 over two years (without the cooperation of Cole) was not of interest.

IN THE MATTER OF FLOODPLAIN MAPPING:

Alterations to floodplain maps are being formulated. The floodplain administrator for Phelps County, Meramec Regional Planning Commission (MRPC), and GIS Coordinator Tim Kean of the Assessor's office have been in contact and are collaborating on this process.

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commission reviewed and approved payment of two invoices on the BRO-B081(13) in the amounts of \$41,965.09 and \$126,000.75.

Now at this the 8th day of April 2021 the Commission met pursuant to adjournment and a quorum was present of the following members:

IN THE MATTER OF SALES TAXES:

Treasurer Carol Green presented sales taxes for the month of April. Phelps County Focus Staff Writer Andrew Sheeley was also present. County revenue 0.5% sales tax was \$221,222.07, down 2.30% in the month-to-month comparison but the rolling 12 month comparison showed an increase of 5.93%.

IN THE MATTER OF MAC TRUST:

Sean McGonigle of MAC Trust Worker's Compensation entered; he had stopped to see the Treasurer and conferred with the Commission. In addressing the importance of keeping costs down as much as possible, he highlighted the availability of training through MAC Trust as well as their template for a personnel manual. Some counties have designated a safety coordinator within particularly high-risk departments, such as law enforcement and road department; this has proved helpful in keeping costs down. McGonigle briefed the Commission on the upcoming legislative conference to be held in Jefferson City on April 19, which Treasurer Carol Green and Collector Faith Barnes are signed up for. Assessor Bill Stoltz entered at 0930.

IN THE MATTER OF FLOODPLAIN MAPPING AND ASSESSOR'S OFFICE:

Stoltz reported that GIS Coordinator Tim Kean and Executive Director of MRPC Bonnie Prigge had been in communication regarding the modifications to be made to the County's floodplain maps. Stoltz said that his personnel had started making use of the MAC Trust training.

IN THE MATTER OF MONEY FOR CLOSED VENUES:

Sheeley asked about funds for shuttered or closed venues; Commissioner Auxier said that this money did not come through the County but went directly to businesses that had to be closed due to COVID-19. Presiding Commissioner Verkamp will inquire further.

IN THE MATTER OF ASSESSMENT:

Stoltz reported to Sheeley that the State Tax Commission has been pressuring him to do re-assessments, because sales data suggests his assessments are below 90% of sale prices. He would like to have a conversation with Sheeley about his

ASSESSMENT, Continued:

response to the STC. Turning to the Commission, Stoltz informed them that he might have to mail out assessment increase notices and this may cost upwards of \$10,000; STC has notified him that he is out of compliance and his last three-year study was completed in 2020. He was in the mid to low 90's in comparison with his sales comparisons and now he is in the high 80's and he believes that he may be forced into compliance eventually by statute. Sheriff Mike Kirn and Jail Administrator Lt. Joe Taylor entered at 1000. Commissioner Hicks asked what the letters had to say, and Presiding Commissioner Verkamp asked why there would only be 10,000 letters. Stoltz replied that his worst compliance with sales data was in the Rolla and St. James public school districts.

IN THE MATTER OF BID OPENING AND AWARD FOR ASBESTOS REMOVAL:

Sissy Korich of Building and Grounds entered at 1005 and Stoltz left at 1010. At 1012 the three bids received as of 1000 were opened showing the following:

ARSI, Jefferson City

\$7,600.00

Stan Morris Construction, Kennett

\$8,200.00

Midwest Service Group, St. Peters

\$29,977.00

The bids were discussed and Commissioner Hicks moved, Commissioner Auxier seconded, that the bid be awarded to ARSI. Sheriff Kirn was informed.

IN THE MATTER OF INMATE MEDICAL SERVICES:

Taylor reported that mental health services were going to be expanded from 8 hours per month to 14 hours per month and the contract initiation date was to be changed to 5/1/2021 so that the PCSD would not be paying the new contract price during the month of April, during which the new R.N. was being trained. As moved by Commissioner Hicks and seconded by Commissioner Auxier, the contract changes were approved. University of Missouri Extension Community Engagement Specialist, Rachel Buenemann, entered at 0920.

IN THE MATTER OF LESO AGREEMENT:

Kirn presented an updated LESO contract which was approved as moved by Commissioner Auxier and seconded by Commissioner Hicks. Local resident Chester Crider then entered as Sheriff Kirn and Taylor left.

IN THE MATTER OF ROOF LEAK:

Korich reported that after a rain yesterday there was water running through the ceiling of a judge's office but the

COURTHOUSE ROOF LEAK, Continued:

maintenance man came and there was no water coming down the beams. Also, there are wasps in this office as well as in the multipurpose room.

IN THE MATTER OF BRO-B081(13) ROAD 7100:

Crider reported that he had been to the bridge and provided some aerial photography to view of several stages of the work.

IN THE MATTER OF MISSOURI EXTENSION:

Buenemann reported on the Missouri Leadercast which was hosted by Leadership Phelps County. It was a full-day event during which international leaders presented on topics of their expertise. The full day of presentations was spread across 4 weeks; 25 leaders with 10 from Phelps County took part. The goals were to provide networking opportunities for local leaders, introduce Leadership Phelps County to these individuals, and to help them with accommodating to disruptive change. Buenemann gave the run-down of the spectrum of participation. Subsequently, there was discussion of plans in Missouri regarding broadband, and the funding available to qualifying individuals of up to \$40 per month (for example) the households of individuals who are receiving assistance in free and reduced-price lunches. Presiding Commissioner Verkamp encouraged Buenemann to be in touch with Andrew Sheeley of the Phelps County Focus. In addition to her Tai Chi classes underway right now, she has a class for workplace chronic disease self-management. The Tai Chi is being offered to Senior Companions; a Serv-Safe class is to be held soon.

IN THE MATTER OF CITIZEN INPUT REGARDING RENT NON-PAYMENT:

Local resident Dale Wands entered and reported that he had an issue with a renter, and he cannot get any help from the city, the courts or the police. Because of the moratorium on evictions, he cannot evict anyone for non-payment. He has a couple, both of are gainfully and steadily employed at the local window factory, who have claimed to be affected by COVID and thus they are in arrears in their rent. The judge has told Wands that they do not need to prove that they are truly affected by COVID and he cannot evict them until at least June 1.

IN THE MATTER OF EDGAR SPRINGS DISASTER ASSISTANCE:

The city of Edgar Springs has accepted FEMA/SEMA funding for the spring 2017 flood disaster, Mo DR 4317. David Burgen of SEMA, Missouri Department of Public Safety contacted Presiding Commissioner Verkamp by phone to report that the city of Edgar Springs is nearing the June 2, 2021 end of the Period of

EDGAR SPIRNGS DISASTER ASSISTANCE, Continued:

Performance for assistance they received. A project including repairs to the city hall, the Lions Club Building and a pavilion as well as equipment replacement for the wastewater treatment plant totaling \$46,183.08 had exceeded the insurance payment by \$13,345.61. 75% of this amount (\$10,009.21) was the federal share they were awarded on 12/19/2017; however, they decided to withdraw from this project (PW 284) and sent SEMA a refund check for \$6,478.85, which left a balance of \$3,530.35 which SEMA is now requesting. There have been some disruptions in maintaining contact with the city. If the work has been completed, only a form needs to be completed. Burgen merely asked for help in keeping the communication lines open with the city.

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commission reviewed and approved payment of 51 petit juror invoices in the amount of \$351.92 and payment of 13 and 35 invoices in the amounts of \$9,202.59 and \$47,035.09, respectively.

IN THE MATTER OF HEALTH DEPARTMENT DIRECTOR SALARY:

IN THE MATTER OF GENERAL MUNICIPAL ELECTION:

Sheeley received the results of the April 6, 2021 election. Write-in's and ties with write-in's were discussed. Sheeley left at 0925 and local resident Chester Kojro entered.

COURTHOUSE PARKING LOT, Continued:

irregularity in the pavement. He refused an ambulance and did not make a statement, Barnes said.

IN THE MATTER OF NATIONAL FOREST

Treasurer Carol Green came in at 0940 to report the National Forest payment for the year ending September 2020 had been received; since 75% goes to schools and 25% goes to roads, the Road Department will be receiving \$33,552.27, which is 15% less than last year. Green left at 0942.

IN THE MATTER OF NOVEL CORONAVIRUS COVID-19 AND THE PHELPS COUNTY JAIL:

Sheriff Kirn and Phelps/Maries Health Department Director Ashley Wann Campbell entered at 1110. Kirn said that there is now a COVID-19 case in the jail and there is not a lot that can be done to segregate them. He is going to pay overtime to existing personnel, so that any inmates taken in from this time forward will go over to the 1972 jail. Kirn doesn't have enough staff just yet to staff this facility without overtime. Any inmates in jail can have immunizations provided by the hospital and the health department can administer immunizations. He said that for a year he has made the staff adhere to a very strict protocol; any prospective inmates with symptoms were refused. UV sanitation of the air was discussed; Kirn has to book, store the property of, and have new intakes "change out" at the big jail because none of that can be accommodated in the 1972 jail. Kirn expressed interest in the process whereby the units could sanitize the air in the intake area.

IN THE MATTER OF BOILERS IN THE JAIL:

Kirn said one of the two, 400-gallon jail boilers completely stopped functioning. The replacement part costs \$13,000; a completely new unit will be \$12,000. Waiting for an opportunity for competitive bid versus replacing this urgently-needed equipment was discussed; the Commission advised using phone bids to ensure lowest and best price received. Kirn is using a vendor who knows the jail water system well.

IN THE MATTER OF DEPOSITARY INSTITUTION CHANGE, SHERIFF'S ASSET FORFEITURE FUND:

DEPOSITARY INSTITUTION CHANGE, SHERIFF'S ASSET FORFEITURE FUND, Continued:

Because the current depository institution would not allow deputies to oversee the counting of cash seized in asset forfeiture, which the Sheriff maintains is necessary as it is evidence, the Sheriff has changed the asset forfeiture fund monies to another bank. Phelps County Treasurer Carol Green is aware of the change and the justification.

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commission reviewed and approved payment of invoices and stipends for Senior Companions in the amount of \$28,296.30.

IN THE MATTER OF BRO-B081(13) ROAD 7100:

Payment in the amount of \$126,000.74 having been received this morning for reimbursement for the county's payment of Progress Invoice #16 on the project, the Commission considered approval and payment of Progress Invoice #17 in the amount of \$129,628.96, but there was a typographical error in the cover letter. A message was left for Jeff Banderet at GRE. Phelps County Focus Staff Writer Andrew Sheeley was also present.

IN THE MATTER OF VICTIM'S RIGHTS WEEK:

The Prosecuting Attorney's Victim Advocate Coordinator had requested permission to place a table with pamphlets in the main lobby for National Victim's Rights week. Because a defense attorney had made an issue of the courthouse lawn display several years ago during a jury trial, threatening to move for a mistrial, input on this will be sought from the 25th Judicial Circuit.

IN THE MATTER OF MDC CART FUNDS:

Michelle Bock of the Road Department presented the letter to Mo Department of Conservation for CART funds to place rock on County Road 2170 which was approved as moved by Commissioner Hicks and seconded by Commissioner Auxier. Other potential roads, denoted by common names, were discussed as potential targets for this treatment. Local resident Ray Schweikhardt entered at 0915.

IN THE MATTER OF ROAD 3450:

Placement of a sufficient culvert underneath Road 3450 to drain 700 acres was discussed; the drainage area would require a 96" culvert. Commissioner Auxier reported that the flash flooding is what is problematic. The USGS Stream Stats map with the drainage area was displayed by Commissioner Hicks; 1.09 square miles extending westward was believed to drain to the point at issue on Road 3450. Presiding Commissioner Verkamp said the problem is "...there are two perhaps three families that can be completely locked-in in the case of a flood." Superintendent of Roads Walter Snelson looked at two smaller pipes (54") but they were labeled to drain insufficient acres; Bock said they use tables to determine the size of drainage area. There is another area further north on 3450 which seems even more problematic.

IN THE MATTER OF ROLLA SENIOR CENTER AND GRANT WRITING HOURS:

Presiding Commissioner Verkamp called Treasurer Carol Green regarding the number of hours needed by Phelps Connections for Seniors and Kelly Sink, Project Development Manager at MRPC, will use what she needs. The clerk will draft an email to Sink.

IN THE MATTER OF GRANT FUNDING FOR ROADS:

Bock inquired if there was a possibility for CDBG funding for some of the roads, such as Old 63. Director of Support Services, Building and Grounds Sissy Korich and Mike Kreher of Hi Tech Roofing entered at 0955.

IN THE MATTER OF ROOF LEAK:

Kreher believed, after viewing the pictures taken by Chester Crider with his drone, that a repair would be less than \$5,000 and he was asked to take a look at the problematic area, as well as other matters needing attention on the roof, with his 65-foot lift. Sheeley left at 1000. Korich, Kreher and Commissioner Auxier left to look at the roof at 1002; they returned without Kreher about 1005.

IN THE MATTER OF ROAD DEPARTMENT BUILDING:

Bock reported that the insurance adjuster said that the roof on the Road Department building at 204 Fairgrounds Road could not be insured if it was only patched. She then left.

IN THE MATTER OF UV FILTERS FOR REMAINDER OF COURTHOUSE:

Korich has a quote of more than \$45,000 for the UV filters for the remainder of the bldg. She provided information about the purchase of the equipment and she will have to put the material out for bid.

IN THE MATTER OF COURTHOUSE PARKING LOT:

Korich was informed that the potholes in the parking lot were to be patched this day by the Road Department.

IN THE MATTER OF COURTHOUSE PHONES:

Korich reported that 52 of the new phones have been installed, and that 5-page user guides are being made available.

IN THE MATTER OF MANAGED IT CONSULTANT:

MANAGED IT CONSULTANT SERVICES:

The sole bidder and awardee for managed IT consulting services for the courthouse, Alliance Technologies, will be coming to be oriented next week so Korich will spend 2 days with their representative.

IN THE MATTER OF COURTHOUSE HVAC PROJECT:

Korich saw the representative from Crescent Parts, the supplier for the project and he believes that the project may actually be not that far from completion. A meeting to outline the scope of the remaining work is being tentatively planned.

IN THE MATTER OF OLD COURTHOUSE:

Old trim containing nails from the recent renovations of the Old Courthouse found on the lawn during mowing was discarded by the maintenance staff.

IN THE MATTER OF
PHELPS COUNTY BOARD FOR THE
DEVELOPMENTALLY DISABLED BOARD:

IN THE MATTER OF ST. JAMES CARING CENTER AND NEIGHBORHOOD ASSISTANCE PROGRAM:

The St. James Caring Center was seeking admittance to this tax credit program for charitable donations to them. The clerk drafted an approval letter and the Commissioners all signed it.

IN THE MATTER OF BRO-B081(13) ROAD 7100:

Jeff Banderet of GRE called at 1050 and was put on speakerphone and the requested edit to the cover letter for Progress Invoice #17 will be supplied.

IN THE MATTER OF PCSD DISINTECTANT SPRAY EQUIPMENT:

Commissioner Auxier received the request of an approval for the purchase of spraying equipment, for disinfecting of the jail areas, from Sheriff Kirn. It was estimated to cost several thousand dollars. As moved by Commissioner Auxier and seconded by Commissioner Hicks, this purchase was considered to qualify as a COVID-related expense.

IN THE MATTER OF MRPC MEETING:

MRPC MEETING, Continued:

Presiding Commissioner Verkamp shared information provided at a recent MRPC meeting about the American Rescue Plan Act of 2021 (ARPA); the president's Infrastructure Plan; and "earmarks", as presented by MRPC Executive Director Bonnie Prigge. Presiding Commissioner Verkamp said the final outcome was completely uncertain. The Infrastructure Plan may contain funds to expand broadband. The \$1.9 Trillion ARPA was signed 3/11/21; within 60 days 50% of the money is to arrive. Counties will receive money directly from the federal government. Cities under 50,000 in population will receive funds as a pass-through from the state. (There are 900-1300 MO municipalities in that category.) second half should arrive one year later. Presiding Commissioner Verkamp provided some information from the meeting about allowable expenditures, and said some of the take-home messages from Prigge included being patient, the importance of planning, developing a list of needs and special projects, and careful adherence to procurement policies.

IN THE MATTER OF BRO-B081(13) ROAD 7100:

As moved by Commissioner Hicks, seconded by Commissioner Auxier, Progress Invoice #17 was approved.

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commissioners reviewed and approved payment of three invoices in the amounts of \$133,071.01; \$40,163.12; and \$2,993.76 for 39, 59 and 14 invoices, respectively.

Joseph H. Auxier/ Commissioner District 1

Gary W. Hicks, Commissioner District 2

Now at this the 20th day of April 2021 the Commission met pursuant to adjournment and a quorum was present of the following members:

Randy Verkamp, Presiding Commissioner Joseph H. Auxier, Commissioner District 1 Gary W. Hicks, Commissioner District 2 Pamela K. Grow, Phelps County Clerk

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commission reviewed and approved 2 invoices for payment of Progress Invoice #17 on the BRO-B081(13) Road 7100 bridge project totaling \$129,628.96 and two other invoices totaling \$150,540.00. A third pair of invoices totaling \$14,258.68 were also reviewed and approved. Phelps County Focus Staff Writer Andrew Sheeley was also present.

IN THE MATTER OF BRO-B081(13) ROAD 7100:

Commissioner Hicks provided updates on this bridge. Local resident Chester Kojro entered at 0920.

IN THE MATTER OF INSURANCE CLAIM:

The Commissioners received and reviewed legal documents from counsel for insurance firm USAA in the matter of damage claims. A vehicle owner asserts that a road grader forced him off the road in February. This will be referred to Dan Cavender at BPJ.

IN THE MATTER OF ROAD VACATION, CEDAR MEADOWS SUBDIVISION:

The Commissioners reviewed documents relating to vacation of the road in the subdivision; roads had never been developed. The hearing will be April 27, 2021 at 0900. Sheeley left at 0940.

IN THE MATTER OF 1972 JAIL AND NOVEL CORONAVIRUS COVID-19:

Sheriff Kirn entered at 0955. He briefed the Commission on the staffing at the 1972 Jail, which will permit separation of new jail inmates from the main jail. There are multiple cases of the novel coronavirus COVID-19 in the main jail.

IN THE MATTER OF BOILER REPLACEMENT BID AND AWARD:

Kirn reported on the telephone bids for boiler replacement and IFS was the lowest of three; as moved by Commissioner Auxier and seconded by Commissioner Hicks the bid was awarded to IFS.

IN THE MATTER OF DEMOLITION, HOUSES AT 405 AND 407 W. 2ND STREET:

After Sheriff Kirn left at 1010, Michelle Bock of the Road Department entered. She will obtain the demolition permits, as the Road Department plans to demolish the buildings on behalf of the Sheriff's Department.

IN THE MATTER OF ROADS 8160 AND 7160:

Bock, when asked, thought that Road 8160 was chip and sealed last in 2015 or 2016. A constituent also wanted to know when 7160 was last chip & sealed and Bock will check her records.

IN THE MATTER OF MISSOURI ASSOCIATION OF COUNTIES (MAC) MEETING:

Treasurer Carol Green entered at 1120 to provide a report of the Missouri Association of Counties meeting in Jefferson City the previous day. Speaking there, Governor Parson emphasized respect for the needs of local jurisdictions and some aspects of Missouri's job market such as workplace readiness certificates for high school graduates. Parson was said to favor the gas tax, structured to be phased in; it's now in the Missouri General Assembly. Rebates will be available to (only) Missouri citizens if the receipts are retained. The "Wayfair" issue concerning taxing online sales taxes still commands a great deal of interest. Governor Parson talked about the state paying the board bills. Commissioner Hicks asked, perhaps in jest, if the sheriff could stop holding state prisoners since the state would not pay their board. MAC President Dick Burke's August retirement received mention as did his potential replacement. Travis Elliott, the MAC attorney, spoke about American Rescue Plan Act (ARPA or "New" COVID money) and admitted early on that there was a paucity of guidance for counties. The first half of the lucre is anticipated around May 10.

IN THE MATTER OF AUDITOR'S LETTER:

The firm conducting the 2019-2020 Single Audit required a letter to allow the county's liability insurer to discuss litigation against the county. As moved by Commissioner Hicks and seconded by Commissioner Auxier, a letter to MoPERM was approved.

PUBLISH: Phelps County Focus - Thursday, April 29, 2021

IN THE MATTER OF HEALTH DEPARTMENT VACATION ACCRUAL:

Phelps/Maries Health Department Director Ashley (Wann) Campbell entered at 0920 to discuss the vacation accrual schedule for her employees; her personnel leave benefit accrual schedule had a typo, so it was actually in compliance with the policy established by the Commission on 12/17/2009 and going into effect on 1/1/2010. She will change the 5.0 hours per pay period of vacation time to 5-15 (from 5-10) years of eligible service. This will result in accrual for vacation time as follows:

0-5 years of employment - 2 weeks vacation - accrued at 3.34 hours per pay period

5-15 years of employment - 3 weeks vacation - accrued at 5.00 Hours per pay period

Over 15 years of employment - 4 weeks vacation - accrued at 6.67 hours per pay period.

Sheriff Kirn entered at 0940. Assessor Bill Stoltz entered at 0942.

IN THE MATTER OF 1972 JAIL:

Sheriff Kirn is continuing to use the remodeled jail for his new inmates, permitting isolation of COVID-19 cases in the main jail. Kirn estimated that OT for one month would come to approximately \$43,000. He wonders if he could use CARES Act funds for equipment and labor installing sanitizers in the duct work; this would be installed directly in the blower. A long-time jail vendor, IFS, had hinted at a 50% discount on such work and a general discussion of cleaning of the jail in the light of COVID-19 ensued. Hicks discussed the combination of ionizers and UV. Campbell left at 0955.

IN THE MATTER OF HOMICIDE IN ST. JAMES:

Kirn reported a recent, extremely violent homicide in St. James; there were ties to the homeless problem. Sheriff Kirn left at 1030.

IN THE MATTER OF AIR PURIFICATION:

Assessor Stoltz received some information about this equipment.

IN THE MATTER OF AMERICAN RECOVERY PLAN ACT (ARPA) FUNDS:

Treasurer Carol Green entered at 1105 with an update on the proposed use of the funds; perhaps "Premium pay" meaning an additional amount up to \$13 per hour that is paid to an eligible worker for work during the COVID-19 pandemic. Green thinks that the "old" (CARES Act) money should be used first.

IN THE MATTER OF CARES ACT FUND APPLICATION:

Commissioner Auxier moved and Commissioner Hicks seconded the approval of the 9th Cares Act application by the Phelps/Maries Health Department, for \$34,691.61. This was for March, 2021; Campbell anticipates applying for reimbursement of COVID-19 related costs for April and May, 2021.

IN THE MATTER OF
AMENDMENT TO
PHELPS COUNTY EMPLOYEE
INSURANCE AMENDMENT:

As moved by Commissioner Auxier and seconded by Commissioner Hicks Amendment 1-2021 to the Group Benefit Services plan was approved. This amendment makes COBRA available should there be a qualifying event due to the novel coronavirus.

IN THE MATTER OF ACCOUNTS PAYABLE:

The Commissioners reviewed and approved the payment of 72 and 46 invoices in the amounts of \$57,088.29 and \$25,180.53,

ACCOUNTS PAYABLE, Continued:

respectively. They also approved the March TIF Economic Activity Taxes ("EATS") for the RollaWest Development in the amounts of \$7,053.61; \$3,798.09; and \$8,138.76, respectively, for County Revenue, Road and Bridge, and Law Enforcement Sales Tax.

IN THE MATTER OF PUBLIC HEARING, ROAD VACATION, CEDAR MEADOWS SUBDIVISION:

Attorney James Crump arrived regarding the vacation of unconstructed roads and county-owned right-of-way; Presiding Commissioner Verkamp opened the public hearing at 0910. Phelps County Focus Staff Writer Andrew Sheeley was also present. Commissioner Auxier recused himself. No testimony was presented. Crump offered for review the petition submitted by property owner Glenda Wadsworth. Local resident Ray Schweikhardt and Collector Faith Barnes entered at 0912. historical ownership and use of the land were reviewed thoroughly by Crump. No county funds have ever been expended on upkeep of the roads. Crump said there was a direct chain from Holiday Enterprises who developed to the Mr. & Mrs. Wadsworth, all recorded. The current owner, Wadsworth, is widowed, unable to maintain the parcel and concerned that prior to sale of the land that the Commission would need to issue an order/ordinance to vacate the rights-of-way; a quit-claim deed was a third method which Crump thought a title company might find suitable. A motion was made by Commissioner Hicks to vacate, so as to effectively and legally transfer ownership; Presiding Commissioner Verkamp seconded. Crump will prepare documentation and return April 29th.

IN THE MATTER OF SHOE DRIVE:

Barnes reported on this philanthropic drive.

IN THE MATTER OF CHRISTOPHER DRIVE:

Barnes had a question about Christopher Drive which branches from Highway 63 as a county-maintained segment; it then becomes a private road segment. The Commission told Barnes that this segment of private road is apparently owned by local resident Virgil Bartle/ there appears to be an easement to other property owners. Barnes asked whose responsibility it is to maintain this segment of road, with a very large pothole; she was referred to the recorder of deeds to see what if anything the deed specified about maintenance. Barnes left at 0925. Local resident Chester Kojro entered at 0920. Sheeley left at 0940.

IN THE MATTER OF IMPOUND LOT:

Sheriff Kirn said that with the recent recovery of significant amounts of stolen vehicles and sometimes large equipment, he felt the need for a secure impound lot. Private impound lots in the county have been charging high rates. Multiple options were discussed. Presiding Commissioner Verkamp called Brady Wilson, Director of Environmental Services with the city of Rolla, about about utilizing barren land to the west of the Transfer Station which had been used previously for a compost site. Currently there is no structure on the property. Wilson said Rolla PD has an impound site north of the city recycling center and there is little usage of this area, but Kirn was concerned about the $2-4\,$ months he often has to keep items impounded while attempting to find the owner. Verkamp asked if the old compost site could be fenced and Wilson thought they could. Wilson was asked about parking on the area of grass over the now-closed landfill, where hay is cut, and he thought that might not be allowed. Auxier asked about the south side of the hay field which consisted of about 10 acres; Wilson said "...generally speaking, if it has trees on it, it was not fill and it has been used as a buffer." The contractor is Swinger Sanitation out of Cuba (for the transfer station). Kirn left at 1110.

PHELPS COUNTY COMMISSION RECORD April 27, 2021 Eighth day of the April term

The new grant cycle opens up July 1; paperwork would be due mid-August, and monies would be available January 1, 2022. Hollowell wondered if the Eco-Miners might take on the administration of the activities. The problem before was there was insufficient time and interest to devote to education; remediation of trash had become the main focus. On hearing that Mo DNR did not want to fund trash pickup with tipping fees, Presiding Commissioner Verkamp said he took exception to this. Hollowell said that in some states the health departments are quite involved because leaching of toxins, and tires with mosquitoes, are health concerns. Hollowell left at 1130.
